

Dump It Smart

Read The Question, Understand The Situation & Choose Correct Option

NAME: _____

DATE: _____

Story Plot : You have organized a Theme Party in your house and have invited many guests for the same. Read the below given questions, understand the situation and select an action, to clean the house post party celebrations.

1. A guest accidentally breaks a glass bottle in your house? How will you discard the broken glass pieces?

- A) You collect the broken glass pieces and directly throw it in the dry waste bin.
- B) You collect the broken glass pieces, carefully wrap them in a waste cloth or roll them in thick newspaper and then throw it in the dry waste bin.

2. Guests have consumed lot of Soda and Cola. There is a heap of trash consisting too many plastic bottles. Many of those bottles have their caps missing and the plastic rings are seen lying around the whole house. How will you discard them?

- A) You collect all the bottles and crush them by twisting from top. Put the caps back on the bottles. Collect all the plastic rings, cut them in two and then discard them in dry waste bin.
- B) You collect the bottles, the caps & the plastic rings and discard them as it is.

3. It is time to take down the decoration. Large number of balloons were used for making structures as part of decoration. How will you get rid of them?

- A) You directly lift the balloon structures and keep it out of the house for the Garbage Truck to collect it.
- B) You pop the balloons, deflate them and then throw them carefully in the dry waste bin for the Garbage Truck to collect it later.

4. The decorators had used a lot of hardware and metal material while decorating the house. A huge chain-link, many big & small screws and glue were used and now it needs to be discarded. What is the right way?

A) You collect the metal items like screws, pieces of chain-link and used glue bottles/tapes and keep them outside your house for Garbage Truck to take it away.

B) You collect them all carefully, put them in a bag and give it to the nearest scrap yard or metal waste recycling center.

5. Variety of snacks came in jars and a lot of people enjoyed their cola in tins and cans? How will you get rid of these jars and cans?

A) You collectively throw them in the dry waste bin.

B) You crush the jars and cans and then throw them in dry waste bin.

6. Party Props came in big boxes and cartons. Friends and Family got gift boxes. What will you do of so many boxes and cartons? How will you get rid of them?

A) You will break the boxes down so that they're lying flat. After that you can give it to the nearest recycling center or throw them in dry waste bin.

B) You throw them as it is in the dry waste bin.

7. There is too much of leftover food. It has gone stale, so it needs to be thrown out. What is the right way?

A) Separate food from all the packaging/containers and throw it in wet waste bin.

B) Pack it up in plastic bags and throw it directly.

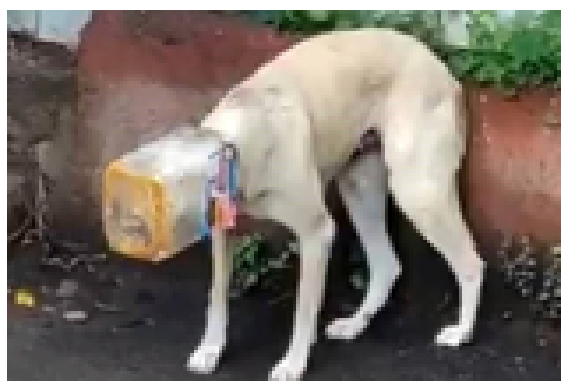

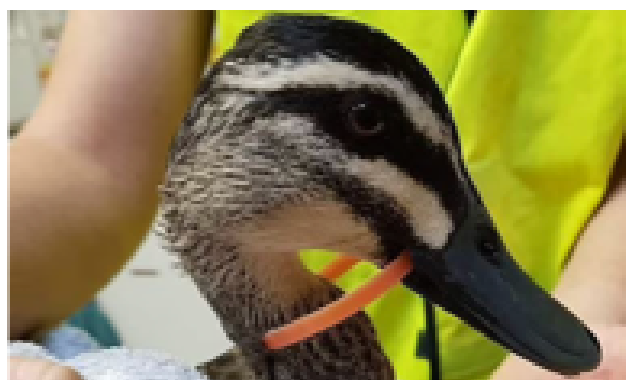

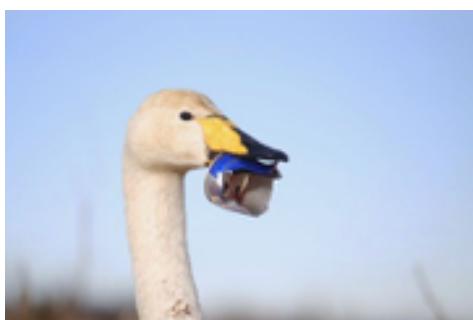

8. OH! It was a theme party! What do we do of all the used Party Props, Costumes, Jewelry and Pins? How do we clear our space and give them away?

A) Pack it and give to some rental service, dealing in costumes and props.

B) Pack it up in a plastic bag and throw it away in dry waste bin.

Answer Key
