

## Guess Who?

Based on the clues, guess the animal and learn how to responsibly care for them or interact with them.

NAME: \_\_\_\_\_

DATE: \_\_\_\_\_

**1. Clue:** I sneak around streets, hunting small animals and enjoying food from kind humans. I groom myself often and have sleek fur with sharp eyes.

**Harmful impact:** I sometimes eat plastic or spoiled food left by people, which makes me sick. **Who am I?**

\_\_\_\_\_

**2. Clue:** You'll find me near cows or in fields catching insects. I'm a white bird with a yellow beak, helping nature by eating bugs.

**Harmful impact:** Pesticides on crops can poison the insects I eat, harming me. **Who am I?**

\_\_\_\_\_

**3. Clue:** I'm loud and clever, eating from trash bins or leftovers. With shiny black feathers, I'm always on the lookout for food!

**Harmful impact:** I often eat plastic or rotten food from garbage, which makes me unwell. **Who am I?**

\_\_\_\_\_

**4. Clue:** I hop around parks and streets, singing and copying sounds. I have a brown body, yellow legs, and a black head.

**Harmful impact:** I sometimes eat spoiled food or bread left by people, which isn't good for me. **Who am I?**

\_\_\_\_\_

**5. Clue:** I soar high above, scavenging for food scraps or small animals. My dark brown feathers and forked tail make me easy to spot.

**Harmful impact:** I scavenge near landfills, where I may eat plastic or poisoned food. **Who am I?**

\_\_\_\_\_

**6. Clue:** I'm quick, climbing trees and nibbling fruits and nuts. My brown body has white stripes running down my back.

**Harmful impact:** I sometimes eat processed food like chips, which is bad for my health. **Who am I?**

\_\_\_\_\_

**7. Clue:** I'm small and chirpy, often seen in markets and windows. I love seeds, grains, and crumbs from humans.

**Harmful impact:** Pollution and toxic food scraps weaken me. **Who am I?**

---

**8. Clue:** I fly at night, eating fruits like mangoes and bananas. With my large wings, I silently glide through the city.

**Harmful impact:** I sometimes eat fruits covered in harmful pesticides. **Who am I?**

---

**9. Clue:** I roam the streets, wagging my tail, sniffing for food, and playing with my pack.

**Harmful impact:** I often eat plastic or spoiled food from trash, making me very sick. **Who am I?**

---

**10. Clue:** I slowly munch on grass or scraps on the streets. People offer me food near temples, and I have big, soulful eyes.

**Harmful impact:** Eating plastic and garbage from streets causes serious health problems. **Who am I?**

---

**11. Clue:** I'm bright green and love to squawk, feeding on fruits and seeds in parks. My red ring around the neck is a clear sign!

**Harmful impact:** Pesticides on food harm my health and reproduction. **Who am I?**

---

**12. Clue:** I graze near markets, nibbling on plants and scraps. My short beard and pointy horns are easy to spot.

**Harmful impact:** I sometimes eat plastic or harmful substances left in the open. **Who am I?**

---
