

## Wildlife Rescue Equipment: Guessing Game

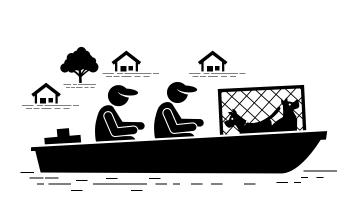

Search the word in the puzzle and learn about it.

NA	ME:DATE:
1.	"What protective gear do rescuers use to safeguard their hands while handling wildlife?"
2.	"What tool is commonly used to safely capture and contain small to medium-sized animals during rescue operations?"?"
3.	"What long-handled device with a noose or grasping mechanism is used to restrain and handle animals from a safe distance?" ?"
4.	"What containers are utilized to provide secure and comfortable transport for rescued animals?"?"
5.	"What tools are used to safely capture and control animals by looping a snare around their neck or body?"?"
6.	"What medication is sometimes used by professionals to safely immobilize animals during rescue operations?" ?" - $\underline{\hspace{1cm}}$
7.	"What flexible cordage is commonly used in rescue operations for various tasks such as securing, lifting, or rappelling?" ?"
8.	"What equipment is used to secure animals or rescuers, particularly in situations where they need to be lifted or rescued from heights?" ?" -
9.	"What enclosures are used for containing captured animals, providing a secure space during transportation or temporary confinement?" ?" -
10.	"What device is set up to capture images or videos of wildlife activity, often used for monitoring or research purposes?"?"
11.	"What electronic device is used for navigation and tracking during rescue operations, especially in remote or large areas?" ?"
12.	"What handheld light source is commonly used for illumination during night-time rescue operations?"?"
13.	"What protective headgear is worn by rescuers to safeguard against head injuries during rescue operations?" ?"
14.	"What tool is used for lifting or handling objects, particularly in situations where manual handling is difficult?"?"
15.	"What immediate medical care is provided to injured animals or rescuers before they are transported to a medical facility?"?" -
